### REPORT

What a good turnout despite the weather.

Some of the early starters even managed to keep dry.

It was pleasing to see quite a few new faces.

Steve and Sue had a storming run on Yellow, should try Orange next time.

Newcomer Charlotte took the honours on Orange with Chris leading on Green.

It was nice to see more people taking on the longer courses.

The award for the coldest and wettest competitor went to Zozanda who unfortunately had to retire and she had to cycle home.

Chris O'Connell was awarded top marks by Pete and Brian for a wonderful slide up to the finish.

Thanks to Sue & Glynn for running the registration.
