

Wight Orienteers Quiz Walk 2025

The Brighstone Bumble

Notwithstanding what their team name might imply, the 'Buckaroos' proved themselves to be no cowboys in the Wight Orienteers Quiz Walk 2025 when they returned a perfect score of 30 points out of the 30 available to take first place. However, they had to be on the top their game as they were closely followed by the 'Copse Lane Crew', who squeaked into second place with 27 points ahead of 'The Barry Whites' and 'Pint and a Half' who finished equal on 26 points.

The nine teams that took part varied in size from pairs up to a group of eight, making a total of over thirty participants (plus assorted well behaved dogs). All teams achieved high scores, ranging between 63% and 100%.

It appears that, generally, the questions weren't too obscure as six of the twenty questions were answered correctly by all teams. Only two questions proved problematic, and these were answered correctly by three of the nine teams.
